

SAMPLE WRITING PAPERS

SAMPLE WRITING PAPER 1

Task 1

Tired of going to typical or basic hotels? If you are planning to go away in the near future, perhaps you should have a look at the reviews of hotels on our updated website www.hotelreviews.com. You are invited to contribute your own review to let our web visitors know as much as possible about hotels around the world.

Write a **220-WORD review** describing your good or bad experience at a hotel you've been to recently. Include information about the location and atmosphere, as well as what makes it special or so horrible, its facilities, service, staff and target customers.

Task 2

Heavenly House-Keepers

www.besthousehold.co.uk

Flexible Live-In Domestic Help

Childcare Elderly House-Keepers

We carefully choose the best professionals for you

Call 0333 598 3435

You signed a six-month contract for a live-in help with this agency but, unfortunately, the heavenly house-keeper turned out to be the house-keeper from hell and you can't stand having them at home a minute longer.

Write a **180-WORD e-mail** to the agency in which you explain why you are so displeased with this person's behaviour, stating clearly that you hold them responsible for the fiasco and requesting that they cancel your contract.

SAMPLE WRITING PAPER 2

Task 1

Your class has had a discussion on the value of competitive sport to young people. Write a **220-WORD essay** on the subject 'Doing competitive sport in school creates more problems than benefits.' You should consider the advantages and disadvantages of students doing competitive sport in school.

Task 2

A recent survey into how Spanish youngsters see their bodies, carried out by the *Medicine and Psychology College* in a Madrid university, came up with some surprising data. As a member of the research team, you have been asked by the college press office to provide **a 180-WORD report** that will be made available to the general public, summarizing your most relevant findings in areas such as self-image, clothes sizes, diets, the popularity of plastic surgery, or protein supplements. Include some reference to what doctors have recommended in view of the results of the survey.
